

**14, 15 & 16 November 2024**

**UCT GSB Academic Conference Centre at**

**Protea Hotel by Marriott Cape Town Waterfront Breakwater Lodge**

## **Allergy Essentials** and **Beyond Symposia** Empowering Generalists

Join us in Cape Town at the exquisite GSB conference centre at the Waterfront for three days of allergy symposia. This bespoke offering will commence with an introductory session on the approach to a patient with possible allergy - a journey through the clinical history, examination and history-guided allergy testing.

Other symposia will include clinical immunology, atopic dermatitis, acute and chronic urticaria, asthma, food allergy and rhinitis. These important symposia have been specially curated to ensure that delegates feel empowered to assess and manage common allergic disorders at all levels of care. Information sharing will be delivered in practical classroom sessions allowing for delegate participation and hands-on relevant experience.

**Presented by the Allergy Society of South Africa.**

This educational event (referred to as the "event") is for Healthcare Professionals only. The views and/or information provided during the event are for medical educational purposes only and are not intended to constitute legal and/or medical advice. The views and information provided are independent of the event organisers and the sponsors. This is a CPD accredited event. By registering, you agree to be contacted by eduXeed and ALLSA, the event organiser and service provider, at any time (prior to, during and after the event) on matters relating to the event, including promotion of any part of the event.
