

New horizons in **stroke management & prevention** in South Africa

THURSDAY [SAST]
19 SEPTEMBER 7PM to 8PM

Innovations in cardiac dysrhythmia care and stroke management are offering better outcomes for affected patients across South Africa.

Join this live, interactive discussion between **Dr Menachem Levin (Cardiologist)** and **Dr Hendrik Willem Snyman (Cardiologist)** on their views of current South African specialist care and key actions to optimise ongoing care in primary care and specialist non-cardiology practice
